

EXPERIENCE

Donna Thrush is a Real Estate Manager located in our Naples office.

She has over 15 years of experience in property and facility management with a broad knowledge base of property strategy, space management and building maintenance. Donna's duties include tenant relations, accounts receivable and payable, lease administration, risk management budget preparation and construction management.

Donna is trained in negotiating techniques, accounting principles and personnel management.

A native of San Jose, California, Donna relocated to Southwest Florida in 2001. She enjoys volunteering within the community and relaxing with family in her free time.
